

LARNE SWIMMING CLUB

APPLICATION FORM FOR PRE-COMPETITIVE SWIMMING

Please note that this is an application form for teaching in the minor pool and does not mean automatic entry into the club. Children must be at least 5 years of age before they are accepted for teaching classes in the minor pool, but it is advisable to have their name on the waiting list long before their 5th birthday, as the waiting list for the club is very long. The upper age limit is not important at this stage but may mean a longer wait before they are considered for membership of the Senior Club. The Head coach will decide if the swimmer has reached a suitable standard and may be invited to join the Senior Club. Instruction will be based on the ASA (Amateur Swimming Association) teaching plan and at that point they will be invited to join the club in the main pool. Swimmers will progress through a number of challenging levels and successful swimmers will be awarded a certificate after completing each level.
